NSEE Preconference Workshops

April 24, 2017

The National Alliance for Partnerships in Equity offers research-based, strategy-driven, practical-application-focused professional development services that equip educators with tools to address specific school needs related to equitable learning environments, student academic success, and ultimately, readiness to pursue high-wage, high-skill, high-demand careers.

At the National Summit for Educational Equity, attendees have the unique opportunity to participate in a selection of NAPE's workshops.

On April 24, 2017, NAPE will provide two strands of preconference sessions, for a total of four workshops, including the option of a networking luncheon. Three of the sessions introduce new Turnkey Implementation Toolkits, so don't miss the opportunity to preview NAPE's brand new curriculum!

Preconference Options

- 1) Micromessaging to Reach and Teach Every Student™

Session 1 — 6 hours

Micromessaging to Reach and Teach Every Student™

Cultural stereotypes exist about people and careers. Because of these stereotypes, we have implicit biases that manifest through micromessages. Bias and micromessages accumulate to create barriers, but they can be diminished with effort. NAPE’s flagship curriculum leads participants through a process of reflection, examination, and action planning.

\$297: includes Workbook, 3 product vouchers, beverages

Session 2 — 2 hours

Ensuring Equity in Project-Based Learning

As PBL gain popularity in classrooms, it is important to clarify ways for the PBL to effectively reach and inspire every student. This workshop and toolkit provides an original framework and reflection tool designed to assist educators in creating, evaluating, and administering equitable and effective PBL lessons, specifically within STEM and CTE.

\$99: includes Toolkit, 1 product voucher, beverages

Session 3 — 2 hours

Inspiring Courage to Excel through Self-Efficacy

Self-efficacy is the belief one holds in their ability to perform a specific task, such as to produce an outcome, reach a level of performance, or achieve a goal. Self-efficacy is strongly correlated with student persistence and achievement. This workshop and toolkit prepares educators to build student self-efficacy and offers a turnkey coachable model for helping students build their own self-efficacy.

\$99: includes Toolkit, 1 product voucher, beverages

Session 4 — 2 hours

Realizing Potential with Mindset

Growth mindset is a belief that through practice and effort, one has the potential to learn new skills, increase knowledge, improve ability, and meet challenges. This workshop and toolkit assists educators in transforming their practice to foster a growth mindset in themselves and in their students.

\$99: includes Toolkit, 1 product voucher, beverages

Lunch

Networking Luncheon

Join professionals from across the country for a networking luncheon. A plated meal will be provided and a national leader in educational equity will make remarks.

\$84: includes 3 course meal and beverages
